APPLICATION UPDATES: NEW APPLICATIONS SECTION A RENEWAL APPLICATIONS SECTION B

Guidelines for ALL Applications

- The term of a private employment agency license is one (1) year. All contracts or forms must contain the full name and address of the employment agency. **P.O. Boxes will not be accepted.**
- Each applicant shall study and know the contents of the entire Private Employment Agencies Act since he or she will be accountable after licensing for complete compliance of the Act.
- Agency phone numbers must be listed to the agency or owner at the address of the agency. Agency phone numbers may **not** be used in conjunction with any other business (Subpart F, 680.600).
- **If the applicant is unsure if they are applying for the correct license, applicants are encouraged to call IDOL office at 312-793-1804 before applying and paying a fee. Application fees are non-refundable.**

Counselor Reminder

- The sole owner or partners acting as employment counselors are not required to be licensed as counselors. If a corporation owns the agency, any officer of the corporation acting as an employment counselor must be licensed.
- Request for applications for new employment counselor licenses, for owners or employees, should be made and returned to the Department of Labor office during the agency licensing process.
- If you intend to employ counselors who are already licensed, their licenses must be requested from the Department of Labor in writing.
