STATE FILE NO. 2019-H-8K09-2252

OBJECTIONS AND REQUEST FOR SECTION 9 HEARING

Petitioner, United Union of Roofers, Waterproofers and Allied Workers, Local No. 2 (“Local 2”), by and through its attorney, Matthew J. Gierse, of the law firm of Hartnett Gladney Hetterman, LLC, seeks to formally object to the Prevailing Wage determination published by the Illinois Department of Labor (“the Department”) on its website on August 15, 2018, and requests a hearing on these objections pursuant to Section 9 of the Illinois Prevailing Wage Act (820 ILCS § 130/9). In support, Local 2 states as follows:

1. Local 2 is a labor organization which has and does bargain on behalf of and represents roofing workers in a total of 26 Illinois Counties, six of these counties include: Hamilton, Jefferson, Madison, Randolph, Saline, and St. Clair (collectively these six counties are hereafter referred to as “the Objected to Counties”).

EXHIBIT A

2. Local 2 members perform the work mentioned in the Roofer classification in all of the Objected to Counties, and are therefore affected by the prevailing wage rate schedule established by the Department.

3. Because the vast majority of workers performing this work in the Roofer classification have historically been covered by Local 2's collective bargaining agreements with contractors in the Objected to Counties, these collective bargaining agreements have historically set the prevailing rate for the Roofer classifications in the Objected to Counties.

4. As of March 1, 2018, Roofers who perform roofing work and who are covered by collective bargaining agreements that Local 2 has with contractors in Madison, Randolph, and St. Clair Counties receive \$32.70 an hour in wages, with a total benefit package of \$17.94 an hour (\$9.00/Welfare, \$8.55/Pension, \$0.39/Apprenticeship & Training). The Foreman performing this work in this classification receives \$34.70 an hour in wages with the same aforementioned benefit package totaling \$17.94 an hour, along with an extra \$1.50 an hour in a supplemental pension contribution.

5. In the Prevailing Wage schedules that the Department published on August 15, 2018, for Madison and Randolph Counties the Department incorrectly set for the Roofer classification a wage rate of only \$32.00 an hour, a Foreman wage rate of only \$34.00 an hour, and a pension benefit contribution of only \$8.15 an hour.

6. In the Prevailing Wage schedules that the Department published on August 15, 2018, for St. Clair County the Department incorrectly entered no Foreman Wage rate for the Roofer classification and incorrectly listed the training benefit contribution at zero, instead of \$0.39 an hour.

7. Additionally, as of March 1, 2018, Roofers who perform roofing work and who are covered by collective bargaining agreements that Local 2 has with contractors in Hamilton, Jefferson, and Saline Counties receive \$27.85 an hour in wages, with a total benefit package of \$13.00 an hour (\$9.20/Welfare and \$3.80/Pension), with a Sunday overtime multiplier rate of 2.0. The Foreman performing this work in this classification receives \$28.85 an hour in wages with the same aforementioned benefit package totaling \$13.00 an hour.

8. In the Prevailing Wage schedules that the Department published on August 15, 2018, for Hamilton, Jefferson, and Saline Counties the Department incorrectly set for the Roofer classification a wage rate of only \$27.20 an hour. The Department also set a Foreman wage rate of only \$28.20 an hour in Jefferson County and failed to set a Foreman wage rate in Hamilton and Saline Counties. The Department also incorrectly set for the Roofer classification a health and welfare benefit contribution of only \$9.10 an hour in Hamilton, Jefferson, and Saline Counties and incorrectly set the Sunday overtime multiplier rate for Jefferson County at only 1.5, instead of 2.0.

9. Therefore, because Local 2 has and does establish the prevailing rate of wages and benefits for workers who perform work in the Roofer classification in the Objected to Counties, the wage rates and benefit packages set by the Department for this classification in the Objected to Counties is grossly below the prevailing wage rate set by Local 2 in its collective bargaining agreements.

10. In summary, Local 2 seeks the following:

- A. The Roofer classification in Madison, Randolph, and St. Clair Counties should receive (in addition to the other benefits provided for in the prevailing wage determination schedules) a wage rate of \$32.70 an hour with a Foreman wage of \$34.70 an hour. Further, for the Roofer classification in Madison and Randolph

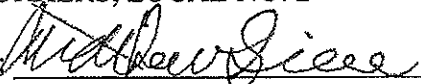

Counties the pension benefit contribution rate should be \$8.55 an hour and the training contribution rate in St. Clair County should at least be \$0.39 an hour.

- B. The Roofer classification in Hamilton, Jefferson, and Saline Counties should receive (in addition to the other benefits provided for in the prevailing wage determination schedules) a wage rate of \$27.85 an hour with a Foreman wage of \$28.85 an hour, and a health and welfare benefit contribution of \$9.20 an hour. Additionally, the Sunday overtime multiplier rate for Jefferson County should be 2.0 instead of 1.5.

For the reasons set forth above, the Petitioner, United Union of Roofers, Waterproofers and Allied Workers, Local No. 2, objects to the Prevailing Wage determination published on the Department's official website on August 15, 2018, and respectfully requests a hearing on these objections pursuant to 820 ILCS § 130/9.

Respectfully submitted,

UNITED UNION OF ROOFERS,
WATERPROOFERS AND ALLIED
WORKERS, LOCAL NO. 2
