OBJECTION AND REQUEST FOR SECTION 9 HEARING

OPERATING ENGINEERS LOCAL 965 and DENNIS MINICK as a member of OPERATING ENGINEERS LOCAL 965 (“Petitioners”), by and through their attorneys, Cavanagh & O’Hara LLP, seek to formally object to the prevailing wage determination published by the Illinois Department of Labor (“IDOL”) on August 15, 2018, and request a hearing on these objections pursuant to Section 9 of the Illinois Prevailing Wage Act (820 ILCS 130/9)(“IPWA”), and in support thereof states as follows:

1. OPERATING ENGINEERS LOCAL 965 is a labor organization which represents employees who work on public works projects in various counties throughout Illinois. DENNIS MINICK is a member of OPERATING ENGINEERS LOCAL 965.

2. Section 9 of the Illinois Prevailing Wage Act states: “The Department of Labor shall... investigate and ascertain the prevailing rate of wages for each county in the State.” 820 ILCS 130/9.

3. The Petitioners submitted prevailing wage survey information to the IDOL in June 2018. The material submitted to the IDOL included wage rates and fringe benefits paid to the classifications of operating engineers (and all applicable related classifications).

4. The regulations to the IPWA define the “prevailing hourly rate of wages” as “the hourly cash wages plus fringe benefits ... most frequently (numerically occurring), in the county in which the public works is performed, to employees engaged in public works.” 56 Ill. Adm. Code 100.22.

5. Petitioners represent workers in Illinois and have negotiated collective bargaining agreements (“CBA’s”) with various employers and/or employer organizations. The wages and fringe benefits rates in the Petitioners’ CBA’s are the most frequently numerically occurring wages and fringe benefit amounts paid to employees engaged in public works in the geographic counties covered by Petitioners. Accordingly, the Petitioners’ CBA’s have historically been considered by the IDOL during its investigation of the prevailing wage rates for the classifications of operating engineers (and all applicable related classifications) on public projects.

6. On August 15, 2018, the IDOL published prevailing wage schedules on its website. The prevailing wage schedules contain numerous errors and omissions due to (i) errors in data/information submitted during the survey process, (ii) errors in IDOL’s investigation and review of the survey submissions and determination of the “prevailing” wage rate (that resulted in erroneously inflated and decreased wage and fringe rates), and (iii) errors related to minimizing

or, in many instances, wholly disregarding the Petitioners' submissions concerning the "prevailing" wage in the applicable geographic areas.

7. The errors related to the IDOL's minimization or disregard of the Petitioners' "prevailing" wage survey submissions stem from the systematically flawed methodology used by the IDOL. The IDOL's methodology is flawed because it did not result in the IDOL basing the posted prevailing wage rates on the most frequently numerically occurring wages and fringe benefits in each county or, if applicable, the geographic area of each county. Significantly, the end result is that many of the IDOL's posted "prevailing" wage rates are based on a *de minimis* or *insignificant* amount of reported hours rather than the most frequently occurring wages and fringe benefits paid to employees engaged in public works.

8. Petitioners have assembled a spreadsheet that identifies the known errors and omissions in the prevailing wage rates published by the IDOL on August 15, 2018. The spreadsheet is attached hereto and incorporated herein as **Exhibit A**.

9. Petitioners represent numerous individuals who perform work on public projects under the classifications defined by the IPWA and are paid at the posted prevailing wage. Therefore, the Petitioners' members are financially affected by the prevailing wage rates.

10. Therefore, Petitioners request an investigatory hearing to establish the correct prevailing wage rates for the classifications, counties, regions and types of work identified in **Exhibit A** (including but not limited to, correcting the prevailing wage rates that were published by the IDOL on August 15, 2018).

WHEREFORE, for the reasons set forth above, the Petitioners object to the prevailing wage determinations posted on the IDOL's official website on August 15, 2018, and respectfully requests a hearing on these objections pursuant to 820 ILCS 130/9.

Dated: September 7, 2018

Respectfully submitted,

OPERATING ENGINEERS LOCAL 965
and DENNIS MINICK, as a member of
