EXHIBIT A

RE: Objection to prevailing wage increase of \$11.47 an hour in Adams County, Illinois over 2017

To Whom It May Concern:

I am writing to file an objection to the Sprinkler fitter's rate increase for Adam's County Illinois of \$11.47 an hour. The data shows this was based on 4 hours worked in Adams County last year by one company out of Bloomington, Illinois.

I am in the middle of a public school construction project that was bid long before such an increase was published. This is an unrealistic increase in one year for existing contractors to try to pick up in an active project.

I request an opportunity for a review of this rate for this county for 2018. You can reach me in writing at the following address, email or by cell phone.

Sincerely,

Eric Kasparie
