Daniel Tallman passed away on February 22, 2024

City of Highland Fire Department

It is with great sadness that we report the passing of Assistant Chief Daniel Tallman after a courageous battle with cancer for the last 4 years.

Daniel began his fire service career in 2002 with the Pana Fire Department, retiring with them in April of 2017. In 2018, Daniel joined the City of Highland Fire Department, worked through the ranks and was recently promoted to Assistant Chief. Daniel served as a Special Agent for the Office of State Fire Marshal Arson Division and served as a Field Instructor for the University of Illinois Fire Service Institute. Daniel also served his country in the Air Force. He was a huge asset to the Fire Service and his dedication and compassion are going to be deeply missed by all who had the pleasure of knowing him. His legacy will live on for years to come through all those he has mentored.

Please keep his wife Tiffany, son Wyatt, and the rest of the Tallman family in your thoughts and prayers during this difficult time. Godspeed Chief Tallman, rest easy. We'll take it from here.

Video: The Invisible Danger of Bunker Gear Transfer

<https://youtu.be/UFzP1rQJWSQ>

IL OSHA can cite for dirty/unsanitary/contaminated bunker gear as this presents a chronic health hazard. This video can be used to illustrate how easy dirty bunker gear can contaminate living spaces.
